

## Exciting Haiti Mission Trip Opportunity October 12-18 and November 1-8, 2014

Typical homes in the village of Balan

### Seeking Volunteers for Two Mission Trips to Haiti - **Santo Homebuilding Project**

We are recruiting volunteers to staff two teams who will work to build new houses for people in the village of Balan in the area of Santo, Haiti. Balan is one of the poorest areas of Haiti and the people there suffer from many challenges, including lack of adequate shelter, food, and health care.

Accommodations will be at Vine Abiding's Mission House outside of Port-au-Prince, with days spent in the field delivering supplies to partner churches and feeding centers. Time will also be spent in ministry to children in the area and a visit to our new ministry center site in the desert area of Santo.

Have you ever wondered how you can personally make a difference in the lives of people suffering from hunger, sickness, and poverty? Part of our ministry is to provide opportunities for God's people to respond to that call with opportunities for service and love.

We encourage those interested in this trip to work with your church or sponsoring organization to recruit supporters to pledge financially to help you participate.

**Please call our team leader Paul Durham at (301) 616-5704 for more information.**

### ***COST - \$3400.00***

All inclusive - costs for the trip include team transportation to the airport from Oakland, MD or Keyser, WV, airfare to and from Haiti from Dulles airport, baggage fees, lodging, meals, travel insurance, in-country travel and logistics, ministry supplies, and home building materials.

*\$1000 of these costs goes toward home building materials - this is a wonderful sponsorship opportunity!*

Note - Costs may be adjusted if air fares change dramatically, costs are based on air fare quotes at time of publication. All air travel will be on American Airlines to and from Dulles International Airport on the departure and return dates.

We are also able to meet teams in Miami or facilitate airline itineraries for groups with other needs.
